## *Village of Lyons*

Dear Fellow Residents,

With summer upon us it's time for outdoor activities, cookouts, sports and the fun that the season brings. I'm very excited about this upcoming summer season here in Lyons, especially with all of the new programs that are being offered through the Parks & Recreation Department. Our brand new Veteran's Park opened this year with its new playground, basketball courts, concession stand, picnic pavilion, and gazebo it is a great addition to the Village and will surely allow for great family use throughout the summer months.

This summer will feature our staple special events, the Father's Day Car Show and 4th of July Parade and Fireworks Spectacular. New this summer will be the Movies in the Park series, featuring Kung Fu Panda 2 and The Muppets. These will be a great opportunity to bring your family and friends and sit out under the stars and watch a couple great films. Along with great programming choices such as youth athletic classes there is also the addition of Zumba classes for adults as well as a week-long LEGO engineering camp for children. As always we are offering many trips for all ages, but this year is the added trip to Wrigley Field to see the Cubs play the Mets. It should be a great time.

Once again, we are very excited about this summer season in the Parks & Recreation Department. We look forward to seeing you and your family in the parks enjoying the beautiful weather and all Lyons has to offer. Have a great summer!

Sincerely,
